

JULY NEWLETTER 2025

7th Edition

HEADLINE STORIES

WHAT ARE THE ROLE OF A SECURITY GUARD AT SITE?

- 1. Observation & Surveillance to Identify Suspicious Behaviour:** Continuous observation & surveillance allow security guards to pinpoint suspicious behaviour & security vulnerabilities so they can handle the issue before it gets worse.
- 2. Report Any Suspicious Activity to Supervisors:** Security guards will report any identified suspicious activity to their control room team without delay to prevent mishaps before they occur.
- 3. Conducting Regular Patrol & Inspection:** Guards conduct regular patrols around site premise to spot & prevent early sign of potential security risks or suspicious behaviour before it turns into major issue.
- 4. Responding to Emergencies & security incidents promptly:** Security guards help in ensuring the safety of all individuals in the emergencies. Through their vigilant presence, proactive actions, this helps to minimize risk and protect lives and assets during critical incidents.
- 5. Maintaining Security Equipment:** this task includes Initiating maintenance procedures when necessary, ensuring that security equipment is not left operational without s

DUXFORD EVENT

It was a busy Airshow Day at IWM Duxford, very warm weather which was enjoyed by all, and an excellent customer experience was had by all thanks to CIO team for making this day special. They next Airshow event will be on the 25th of July. Our team will have the privilege to work with some veterans who flew from Duxford during the 2nd war. Stay tune for the next Airshow this month and remember to grab a bottle of water when coming. See you there

SUMMER SECURITY TIPS

Summer is calling, but before you dive into the season's adventures, its important to take a moment to think about home security and your personal safety. Below are few tips from us.

- Security Cameras & Alarms for peace of mind:** installing cameras might seems like a basic measure, but it's a game-changer, 60% of burglars steers clear of homes with visible cameras.
- Double-Check if You've Locked Your Door or Windows:** We've all been there, leaving home only to be haunted by the nagging doubt of unlocked doors or windows. Don't let this anxiety spoil your summer fun.
- Always remember to dot you I's and cross your T's.**

SIA
Update

SIA Confirms refresher training will be required for some licence renewal. For more details click <https://www.gov.uk/government/news/sia-confirms-refresher-training-will-be-required-for-some-licence-renewal>
